

Please read before inquiring about a kitten!

If you like one of our kitten, **please send us a mail with a short introduction about you** and your cattery and your breeding program (your breeding or show experience, goals, location you live and show in, what organization(s) you show in, or plan to show in, etc.)

Kittens are placed **with contracts**. Sometimes we place kittens with a written contract or ask for references.

We do not sell to pet shops or to anyone for re-sell.

The breeder and show quality kittens will be sold with a contract before they leave home.

Our contract serves for protection kittens. In our contracts we demand, that kittens which you buy from us, have not been resold for breeding to another cattery!

Each kitten is **individually appreciated** on quality and a family tree at the time of sale. Therefore, we cannot quote you a price on a kitten that hasn't been born yet or developed enough to be able to honestly evaluate it.

Only **deposits** hold or reserve a kitten for you.

We are not taking deposits for kittens before they turn 2 month of age.

The kitten is reserved, when for him is received the deposit The **deposit makes 1/3 from cost** of a kitten.

All the **deposits are accepted in good faith and non refundable**. Deposit is refundable if the kitten doesn't develop to the assessed quality. The Seller obliges will take care about the reserved kitten during the stipulated period of time. If the buyer has no serious reason and refuses to pay the full price of kitten, when the above mentioned period of time has expired, the Seller has the right to sell the kitten to another person. Deposits will only hold a kitten for a reasonable amount of time. Deposits will be considered payment for boarding grooming and lost opportunities for placement if the buyer changes their mind for any reason other than defined in the contract.

The remaining balance is due 4 weeks prior to shipping.

I reserve the right of refusal for the sale of any kitten pictured on this web-page at anytime.

We sell a kitten **after 16 weeks**.

All kittens are dewormed, **2 times vaccinated, microchipped, veterinarian checked, Fungus(ringworm) free.**

Kittens are **CFA registered** and all have Certificate Of Individual Registration or Blue Slip.

Monetary outlay for transport services, registration of necessary documents, veterinary services it is paid separately.

This sum does not enter into cost of a kitten.
